

Certificate of Analysis

Lipo-c		Labeled Qty: 10 ml	
Form: Liquid		CAS:N/A (Mixture)	
Molecular Formula: N/A (Mixture)		Product No.:LC210	
Batch No.:26052301		Date of Mfg: May 22, 2026	
Sequence: N/A (Non-Peptide Formulation)			
Test		Specification	Result
Appearance		Clear, Colorless to Slightly Yellow Sterile Solution	Conforms
MS		N/A	Multi-Component Formulation; Identity Confirmed by Individual Component Testing
Related Substnces		Unspecified impurity for each impurity: NMT 1.0%	0.14% (single largest impurity)
Purity (HPLC)		NLT 98%	99.47%
Heavy metal		NMT 10 ppm	Conforms
Microbial limits		TAMC NMT 100 cfu/g	Conforms
		E. coli: Absent	Absent
Bacterial Endotoxins		Assay Sensitivity: <0.05 EU/mL	Conforms
Storage		Refrigerate at 2–8 °C, avoid freezing, use within 28 days, protect from light.	
Report		Date	2026.11
Reviewer		Date	2026.6.9
Conclusion: This batch of product complies with the Enterprise Standard.			

Method: HPLC with UV detection coupled with mass spectrometry (LC-MS).

Batch No.: 26052301

Batch No.: 26052301

1. It is only supplied as a chemical product.
2. It is only for R&D use.
